Updated ratings, after two weeks of games, are due Monday March 13. We ask that the board be notified as early as possible if you plan to change a players rating so that we might observe that player as often as possible. The board will meet to discuss the proposed ratings on March 15<sup>th</sup>. There will be a ratings meeting on March 21<sup>st</sup> for coaches to discuss their players, or other teams players and their ratings.

We had 8-9 new players at the most recent clinic and they have been assigned to teams in need.
