3. **Fall Season - Ross Benson**  
The Fall Season will once again be held at BLD. Opening Day for the fall is October 2 and we will play until mid-December. Final Schedule TBD based on number of teams. All teams must be registered and sponsor fees paid by 9/27. All rosters must have a minimum of 11 players. Forfeit fee of \$30 for first offense and \$45 after will be enforced. You ARE allowed to pick up players in the fall so really no excuses for forfeits. If any teams need players please reach out to the board for assistance.
4. **New Web Site/Registration-Vicky**  
The new web site is open and open to coaches for registering teams and sending invitations to players. Please contact board with any technical difficulties or if assistance is needed.

6. **NAGAAA Meetings-Steve**  
Steve will be attending meetings in Austin. There was discussion of a number of NAGAAA Agenda items. League agreed to vote on retaining current C Division home run rule. All other topics, while discussed, will be left up to delegate after hearing all related debate.
7. **Turkey Shootout-Jeff Hermann**

Shootout to be held one week earlier than in years past. This year's event will be the weekend BEFORE Thanksgiving, November 19-20.
