Remainder of schedule to be completed this week now that total team number has been finalized. Forfeit fee of \$30 for first offense and \$45 after will be enforced. You ARE allowed to pick up players in the fall so really no excuses for forfeits. If any teams need players please reach out to the board for assistance. We will be taking the weekends of the San Diego Tournament, Pride and the Turkey Shootout off.
4. **New Web Site/Registration-Vicky**
All registration is to be completed by players online. Please have all players register by following the invite link from their coach. If they set themselves up separately they are erroneously creating a new team.
5. **Fall Rules -Ross**
There is a maximum of 5 runs per inning for the first 3 innings, then runs are unlimited beginning the 4th inning.
If you pick up a substitute they should be batting at the bottom of the order and playing catcher, then RF. Exception is if a pitcher is a necessity
6. **Ratings-Phillip**
Phillip will be sending out information as to when new player ratings are due. Only new players need to be rated in the fall. You can also request that an existing

players rating be changed by providing information regarding why the rating is being changed (loss of ability, permanent injury, etc).

7. Pride

We will be asking (requiring) all teams to work shifts at pride booth. As in years past we need teams to participate in the parade. More Pride details forthcoming but reserve the dates!

8. Turkey Shootout-Phillip/Jeff

This year's event will be the weekend BEFORE Thanksgiving, November 19-20. Tournament information and registration is available on our website. Please registered your teams ASAP to ensure space as well as encourage teams from other cities to take same action. Registration Party will once again be at Hunters Friday of tournament weekend.

9. Committees -Ross

The four committees are Hall of Fame (liaison Steve Gomes), Marketing (Vicky), Fundraising Event (Phillip), Pride (Keith).
