3. 2021 Spring Season Wrap Up **Scot Howard**

Congratulations to all the teams that competed this season.

Congratulations to the teams that competed in Sunday's Playoffs

Numbers: 13 teams (2 new) / 204 players / 82 games

4. Awards Banquet **Scot Howard**

Sunday, June 20 (Father's Day) 6-9PM

Margaritaville Resort – Compass Rose North Ballroom

Numbers: 188 RSVP's – roughly 92% of the league

Combined with honored guests (HoF, sponsors, etc.) – we're at roughly 200 attendees

In 2019, we had 15 teams and over 250 members – one of our largest seasons ever.

Then we had 130 attend the Awards Banquet.

(Incidentally, we payed \$18.50 per person at the Cimarron that year. There price increased to \$27/person, which the Margaritaville undercut (and they're in town, is why we selected this year's venue.)

Friday we must provide a final headcount, which contractually binds us to \$26/person, whether they show or not. That totals \$5,200 for 200 attendees.

188 RSVP's (92%) is misleading. We have some teams with less than 10 people coming. A player plus one adult guest has always been the norm for the banquet. While we're not going to limit the number of adult guests a player can bring, we are requiring each team provide by 12PM this Friday the name of each player attending and the number of adult guests they are bringing.

As such, guests will check-in when they arrive and similar to a reservation at a restaurant or hotel, there will be a no-show fee for those that have RSVP'd and don't attend. Teams will be responsible for this fee to be eligible for next season.

This is not an ideal situation but we feel it is a fair action for all members of the league. \$5,200 line item in the budget affects everyone in the league.

5. 2021 GSWS

Scot Howard

- Hotel Deposits / Roster Deadlines

We anticipate having these dates, along with the due date for team entry fees, soon and will be in touch with the teams going to the GSWS ASAP.

A reminder that each team is responsible for the \$600 hotel deposit, refundable after GSWS if we meet the league-minimum requirement for nights at the host hotels.

6. NAGAAA Database

Fernando Rodriguez

All ratings must be updated and submitted by July 15th to ensure correct numbers for GSWS.

7. Old Business

Scot Howard

1. NAGAAA Cup – Congratulations to the Rounders and their 2nd Place Finish

We had 20 Teams and just over 300 players

The real superstars – off the field – were the volunteers, coordinated by Peter Ho.

We've had just as feedback on how wonderful they were as we've had about the tournament itself.
